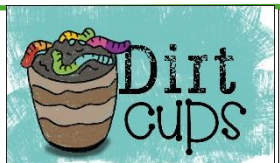
## Bible Quiz

After his resurrection, Jesus asked one of his disciples the same question three times: "Do you love me?" The disciple felt hurt, wondering why Jesus kept asking. Who was this disciple?

A. James
B. John
C. Philip
D. (Simon) Peter

**Answer: D (John 21:17)**



## Dirt cups

A sweet reminder that God is always growing something new, no matter the season. As summer winds down and a new school year begins, remember He is at work in your life, helping you grow in faith, kindness and courage. With His help, you can grow in wisdom, build friendships and shine His love wherever you go.

**What you need:**

- 2 cups milk
- 1 (4-serving) box chocolate instant pudding mix
- 1 (8 oz.) tub whipped topping, thawed
- 1 (16 oz.) package Oreo cookies, crushed
- 8 (9 oz.) clear plastic cups
- Gummy worms or frogs (optional)

**What you do:**

1. In a large bowl, whisk together milk and pudding mix for 2 minutes. Let stand for 5 minutes until thickened.
2. Gently fold in the whipped topping.
3. Add a layer of crushed cookies to the bottom of each cup.
4. Spoon pudding mixture on top, filling the cups about ¾ full.
5. Sprinkle more crushed cookies on top to look like "dirt."
6. Add gummy worms or frogs for fun.
7. Chill until ready to serve, or enjoy right away.

See, I am doing a new thing! Now it springs up; do you not perceive it? — Isaiah 43:19 (NIV)

## Apple of Your Eye

"Apple of your eye" means something very special that you protect. As school starts again, remember what God says in Proverbs 7:2 (NIV): "Keep my commands and you will live; guard my teachings as the apple of your eye."

*Can you find the word "apple" 12 times in the puzzle? Look up, down, across, and even backward!*

## Message From the Pastor—

Dear Church Family,

School buses return to the roads. Calendars begin to fill. Activities resume. Summer schedules give way to familiar routines. There is a natural sense of returning as we settle into the patterns of a new season.

As people of faith, September offers us an opportunity to ask an important question: What rhythms are shaping our spiritual lives?

As we recently reflected in worship, choosing God means choosing a spiritual journey. We seek not only to know about God, but to know God as a friend. That journey takes time, intention, effort, and grace. God continually invites us to grow, change, and become more like Christ.

John Wesley understood that discipleship was never meant to be a solitary journey. Early Methodists gathered in small groups called Class Meetings. They asked one another a simple but powerful question: "How is it with your soul?"

What if we reclaimed that practice? What if our conversations became more than updates about busy schedules or daily responsibilities? What if, as spiritual friends, we began asking one another: How is it with your soul? How is God leading you? How is God showing up in your life?

We all carry the burdens of our days, but we also carry the burdens of our hearts and souls. As the body of Christ, we are called to walk alongside one another. We pray together. We study together. We serve together. We pursue God together.

This month, I invite you to consider your own spiritual journey.

**What spiritual discipline might help you draw closer to God in this new season?**

Perhaps it is:

- Praying for five minutes each morning before the day begins.
- Reading a short passage of Scripture each evening.
- Continuing the commitment we made through our back-to-school prayer guide to pray intentionally throughout the year.
- Joining a Sunday School class or small group.
- Register for the online prayer webinar offered by our conference (more details in this newsletter)
- Keeping a gratitude journal.
- Taking a weekly prayer walk.
- Memorizing a favorite Bible verse.
- Ending each day by asking, "Where did I experience God's presence today?"

Discipleship is much like building a new muscle. Growth happens through small, faithful, consistent practices over time.

**I also want to hear from you.**

**Throughout September, you'll find a question posted in the narthex and on our Facebook page: "What spiritual practice is helping you grow closer to God?"**

Share your answer on the poster or respond online each week. You might share a favorite prayer practice, a meaningful scripture verse, a question you're wrestling with, or a spiritual goal for the coming months.

I am also inviting you to an opportunity to gather for casual fellowship and spiritual conversation. **On Saturday, September 26 at 10 AM, come to Winterstown UMC for coffee and donuts and SOUL TALK in the parlor.** We will support and encourage one another as we share stories about where we've seen God at work in our lives. No registration necessary. All are welcome!

My hope is that these opportunities will help us know one another more deeply, strengthen our relationships, and encourage us in our faith.

So, as we settle into the rhythms of September, let us take steps of faith. And most importantly, let us remember that we do not travel this road alone. We journey together.

<><,

*Pastor Erin*

# LEADERSHIP TEAM MEETING - July 27, 2026 at 6:00 pm

**Present:** Connie Human, Terri Laird, Dawn Burg, Buddy and Ann McGinnis, Gabe Hildebrand, Tammy and Bill Waldrup, and Danielle Orwig.

**Prayer:** The meeting was opened with prayer offered by Buddy.

**Growing Friends: Danielle gave an update on the daycare;**

- She was very proud to announce the center received the Best of York County and showed the award that was given.
- The center is full for the summer; this is the most school-age children they have ever had in a summer.
- The college girls that have been helping will be leaving to go back to school, and they are looking to hire one full-time person.
- The concrete pad (ramp) was installed, measuring 6 feet wide by 4 feet long.
- Danielle suggested that we try to make the playground more ADA accessible.
- Attendance is full for the upcoming school year. So, the waiting lists have been put on hold for now.
- January will see a small increase in tuition rates.
- In November and December, she will apply for the grants that are available to the center.
- August could be a surprise inspection since we have a new inspector.
- **Maintenance needed:**
  1. Pre-school playhouse has some nails starting to pop up
  2. Paint on the playhouse steps is chipping off
  3. Wanting permission to place an interactive 6-foot train against the wall for the children.
  4. The flea market is coming up and will be held in the field
  5. Gabe wants to get rid of the ice maker; it is always moldy and disgusting.
- The next order of business was questions regarding the upcoming spaghetti dinner on September 5, 2026, from 1-5 in the APR.
  - No raffle tickets can be sold or offered, but a silent auction is permitted.
  - The church does not have a licensed kitchen to cook in and offers meals for sale.

**Connie gave an update on the Treasurer report:**

- To date, no shares of ministry have been paid.
- The checking account is still low; we currently have more bills than funds.
- We received a bill from Spangler and Boyer for $1800, and we have the real estate taxes. A suggestion was made to move money from the memorial fund to pay the RE taxes. Buddy approved the move.
- Kenton McGinnis (Buddy) must have information sent to BOA to get information from them. This is where we have a church credit card and one for Pastor Becky. She returned her card upon retirement. So, we are attempting to obtain a card for Pastor Erin from M&T Bank, since this is where we currently have our account.
  1. Amber would be listed as an authorized user on the card.
  2. The bank requires two years of financial statements. (Connie has supplied this.)
  3. The church does not have bylaws; we operate by the *Book of Discipline of the United Methodist Church*.
  4. These minutes serve as the board (known as the Leadership Team) giving Buddy permission, on behalf of the church, to act as the authorized signer and to make decisions regarding the credit card and/or accounts on behalf of the church.
  5. Giving Kenton McGinnis (aka: Buddy) permission to act on behalf of Winterstown UM Church, but the church is liable for the debt incurred.
  6. Buddy will go to the branch to complete the application and sign all necessary documents.

**NNO: National Night Out**

- Chief Tim needs volunteers to assist with the setting up of tables.
- They would like us to supply at least 3 coolers, along with the ones that Chief Tim has, and to use our ice for the water in the coolers.
- The church will volunteer to serve hot dogs, chips, water, and pizza.

We as a church will be hosting a luncheon for Quinn on August 23, 2026, following the service, from noon to 2 pm

**Pastor Erin's update:**

- She feels everything is off to a very positive start as she continues to get to know each of us.
- Looking forward to NNO, working with Joy on a special project.

- She would like to update the homebound list and try to have members visit when possible.
- As she is getting to know us (those who attend services in person), she would like to have someone, if possible, visit with her when she goes to see people who cannot get out to attend church in person. This way we can make an introduction, and the members will feel more comfortable with someone they know with her.
- She would also like to offer cards (birthday, anniversary, thinking of you, etc.) to the homebound. If you have cards that you are not using that can be used for this, please feel free to donate them to the church; it will be very much appreciated.
- Pastor Erin would also like to have a discretionary amount of money that, if she finds someone who is in immediate need of money, she can make a decision to assist, without having to have the permission of the leadership team.

**Update on the parsonage:**

- We received a letter from the Boro, following a phone call from the neighbor, regarding the nuisance of the parsonage. We are aware that it is an eyesore; it is to all of us. However, we are doing our very best to keep things moving and to get demolition started. A deposit has been given to both the modular home builder and the contractor to get started. Permits have been applied for, and hopefully very soon, we can all see the demolition begins and the new house appears. The grass has been mowed. Dawn talked to the Boro staff and is keeping them updated on our progress.

**Carrie:**

- She noted that we have an upcoming trip to Mission Central, open to anyone who would like to go along with the group.

Prayer was offered by Dawn, and the meeting closed at 8 pm.

The next meeting is scheduled for August 17, 2026

Respectfully submitted,
Dawn M. Burg
Secretary

# LEADERSHIP TEAM MEETING - August 17, 2026

**Present:** Buddy and Ann McGinnis, Gabe Hildebrand, Terri Laird, Connie Human Dawn Burg, Bill and Tammy Waldrup, Pastor Erin Elong, Carrie Anderson and Danielle Orwig.

**Prayer:** Buddy offered prayer to open the meeting.
Buddy: The application for the credit card at M&T Bank has been approved and we are waiting for the card to arrive in the mail. At that time, we can add a card for Pastor Erin and then cancel the card with Bank of America.

**Danielle: Growing Friends update**

- Most of the updates are maintenance issues. The inspector arrived unexpectedly for the summer inspection and would like a few things corrected.
  a. The ceiling tile needs to be replaced, but we are aware of that issue with the recent roof leaks and Gabe is taking care of that but is waiting to make sure the leaks are corrected.
  b. The 1-year-olds room has molding around the floor and walls and is pulling away.
  c. The infant room has light bulbs that need to be replaced.
  d. They are looking to hire a full-time person.
  e. The 3-year-olds PSP and infant room will have openings.
  f. With the U Grow daycare closing in York, several smart boards and mini refrigerators have been donated to our center for our use.
  g. There was a very good article that appeared in the "Link" about GF accomplishments.

**Connie:**

- We received money from a member to be used for whatever is needed but not to be used for Shares of Ministry. It was decided to use it in the general fund to pay bills.

**Pastor Erin:**

- Charge Conference will be held at 2 pm on Saturday, November 7, at Bethany UM in Red Lion.
  a. We will petition the congregation to agree to move funds from the youth group account to the general fund.
  b. Pastor Erin reported that she made 7 pastoral visits to homebound members and has 3 more scheduled. She welcomes members of the church go with her on future visits.
  c. The discretionary fund monies have not been accessed since the last meeting.

**Dawn: Parsonage Update**

- Permits for demolition have been picked up and waiting on scheduling. The building permits have been applied for, and the modular should be ready to set towards the end of September/October.
- We will be ordering an above ground ASME 500-gallon propane tank to be placed at the parsonage.

**Tammy:**

- Sunday School is going well; we have had a good number of children attending.
- Preparing for back to school.

**Carrie:**

- We received a letter from Life Path Ministries asking if we would like to partnership with them with donations from our church. As they receive donations, we will be compensated with gift cards from the store to hand out to those in need. They would like to place a donation box in our parking lot. Gabe suggested that they place it in the stones near the back of the lots. We will try this and see how it goes.
- October 3 from 9:15 to 11:45 am will be another trip to Mission Central.
- We will skip going to Mission Central in September and October so that we can focus on November and December for donations as needed for the holidays.
- November is usually a good month to get donations for Thanksgiving dinner for Stewartstown Food Pantry. December is good to collect coats for kids as well as the food pantry.

**Terri:**

- Will be heading up sending cards to our members for any special occasions, and just to say "we miss you and you are in our thoughts and prayers."

**Bill:**

- Nothing to share this month.

**Ann:**

- Completed all forms and sent them to the appropriate places for Quinn to move forward with his necessary requirements.
- We will be meeting on Friday, August 21, 2026, at 6 pm to set up tables and prepare for the luncheon for Quinn on Sunday after the service.
- Received a request to set up another trip to Sight and Sound to see Daniel for next year.

**Buddy:**

- Reported on the invitation to take a bus trip to the Museum of the Bible and the National Mall in Washington on October 3rd. The meeting and pick up for the bus are in Harrisburg.
- The next meeting will be on September 21, 2026 at 6 pm.

The meeting was closed at 7:24 pm with a prayer offered by Pastor Erin.

Respectfully submitted,
Dawn M. Burg
Secretary

# August Mission Central Trip

# Growing Friends

Happy September!

I can't believe that the summer was here and gone!! We had so much fun this summer going on field trips and having fun with the children!!! As sad as we are to see the summer go, we are looking forward to another school year of watching the children grow and expand their knowledge!!!

This month, we are jumping back into our school-year routines. As we get back into the school routine, our office hours will change to accommodate the Stewartstown Elementary van runs. Our in-office hours will be from 9 am to 2 pm. If you need to get hold of us, you are always welcome to call into the center and leave a message or email us. We will get back to you as soon as we can.

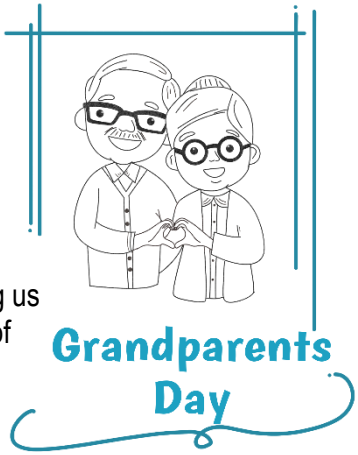
We will also be helping cover classrooms before and after school. So, if you don't see us in the office, you can ask a staff member to direct you to where we currently are.

This month, the children will be learning about the following: Letters: A, B, C; Numbers: 1, 2, 3; Shape: Rectangle; Color: Yellow; Additional Themes: All About Me, Bees, Fall

This month, there will be no school for our Red Lion children on Friday, September 4th, and Labor Day, Monday, September 7th (GF is closed on Labor Day as well).

Preschool Program begins this month for our 3's and 4's. The first day of class for the 3's is Tuesday, September 8th, and the first day for the 4's is Wednesday, September 9th. We wish the children a fabulous and fun year! We still have openings for our 3's class; if you or anyone you know is interested, send them our way. The children must be 3 or 4 years old by August 31st to register.

We are excited to host another season of Soccer Shots here at Growing Friends. To register your child, you can scan the QR code to the left. Sessions will begin on Thursday, September 10th starting at 10:45 am. The season will run for 8 weeks and will wrap up on Thursday, October 29th. Children must be 2 years or older to participate in Soccer Shots.



On Wednesday, September 23rd, we will host Grandparents Day here at the center. Each child is invited to bring their Grandparents or that grand friend to Growing Friends. The grandparents will participate in a special story time with Pastor Erin, do a craft, and participate in circle time. We always look forward to this special day when we can open our doors to visitors. Grandparents and their child will be treated to a special lunch prepared by Growing Friends staff: spaghetti and meatballs.

GF Staff news: At the end of August, we said our best wishes to Miss Kendall; aa she will be leaving us during the school year to work in the schools. We look forward to her return in the summer, as one of our summer employees! Growing Friends is hiring for a full-time position. If you know someone who would be a good fit for our family, please send them our way. We are looking to fill an open position in our Infant/Ones/Toddler classroom. This month, the following employees share their work anniversaries with us: September 7th, Ms. Brenda (22 years), Ms. Debbie (4 years).
This month, we wish a Happy Birthday to Ms. Brenda on September 1st.
FUNDRAISER NEWS: Thank you to those who ordered subs in August! The money raised through the sub sale paid for approx. 50% of our summer bus bill for field trips! This month, we will be holding a fundraiser evening at Sprinkle's in Red Lion from 5 pm to 9 pm on Friday, September 25th. Come out and support this yummy fundraiser. This month, we will also be selling Bundt Cake from a local store called Nothing Bundt Cake. They are located in East York. Orders and money will be due Monday, September 21st. Delivery will be Wednesday, September 30th. Our Maker's Market is quickly approaching as well. On Saturday, October 3rd, from 10 am to 3 pm, we will have 35+ vendors set up in the field selling their finest crafts and goodies! We will also have food (pulled pork, hot dogs, hamburgers, shaved ice, cotton candy, etc.) for sale and a food truck set up in our parking lot. Come out and support these crafty vendors and have some fun as well!

We hope you all enjoy the beauty the April Showers left behind!

## CHRISTIAN SYMBOL - BREAD

One of the oldest and most familiar foods, bread carries deep meaning throughout Scripture. In the Old Testament, God provided manna, or "bread from heaven," to sustain His people in the wilderness. In the New Testament, Jesus declared, "I am the bread of life" (John 6:35), pointing to himself as the true source of spiritual nourishment. Bread also holds a central place in the Lord's Supper, where it represents Christ's body, given for us. Simple and sustaining, bread has become a lasting symbol of God's provision, Christ's presence, and the shared fellowship of believers.

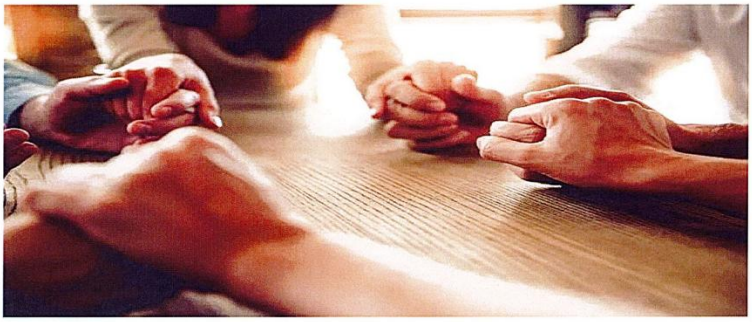
# Paths to Prayer: A Fall Webinar Experience



We invite laity, clergy, and pastoral leaders to join this fall's FREE webinar, held Tuesdays, October 6-27, from 6:30-8:00 p.m. Led by Rev. Dr. Patricia D. Brown, the four-session webinar will explore diverse pathways to prayer. See the sign-up sheet on the bulletin board to register or send an email to Pastor Erin.

In a time when so much in our world feels uncertain and heavy, the call to prayer has never been more important. As Bishop Héctor has invited us, this is a season to return—deeply and intentionally—to prayer for our communities, our leaders, our neighbors, and ourselves.

Across four engaging online gatherings, you will be introduced to practical, inspiring ways to grow and strengthen your own prayer life. More than that, you'll be equipped to share these meaningful practices with your congregation, helping to nurture and deepen the spiritual life and ministries of your community.

This is not simply about learning new ideas—it's about experiencing prayer in fresh, accessible ways that can be lived out daily and shared with others in ways that truly connect.

Together, we will: · Explore diverse pathways into prayer · Strengthen our personal connection with the Divine · Discover ways to lead others into deeper prayer · Support and renew our congregations in challenging times

Whether you are seeking renewal, new practices, or ways to guide others more faithfully, this gathering offers a welcoming and enriching space. Come as you are each week. Leave refreshed, equipped, and inspired.

The month of July ended showing a year-to-date ordinary net loss of $16,610.57 for the year 2026. This reflects the operating expenses exceeding the operating income year-to-date. The electric bill paid in August reflected a slight decrease of approximately $200 over the July payment. Payroll expenses in July were higher due to a three-pay day month. The Red Lion Area School District 2026-2027 taxes were paid in August.

A new Electronic Security Fire System was installed in February at a total cost of $19,123, with a 30% down payment of $5,737 paid in February.
